TABLES

Mix and match to suit your design

Haworth Health Environments tables provide a wide variety of options for waiting areas, common rooms, and work areas. Just choose the base, top material, edge detail, and size to create the table you need. Bases are offered in six different styles and sizes. Reference the price book to specify the correct base size for your table top.

TABLE BASES

- Wood bases constructed from hard maple
- Metal bases made from cast iron for maximum stability
- Attachment hardware included

Tops can be specified from a wide range of surface and edge materials, in square, rectangular, and round shapes, from 24" to 60".

Edges can be ordered in wood, laminate, PVC, or semi-soft urethane materials. A spill guard option is also available to prevent liquids from dripping onto the floor.

TABLE TOPS

- Thickness: 1 1/4"
- Laminate or veneer tops
- Solid maple wood edges
- Tops available with inlay or overlay material
- Antimicrobial wood finish inhibits growth of bacteria while lacquer provides a strong defense against the harshness of cleaning solutions
